

A mobile app interface for login and sign-up. At the top is a placeholder for a logo, represented by a square with an 'X' and the word 'LOGO'. Below this are two buttons: 'Log In' and 'Sign Up'. The 'Log In' button is highlighted with a blue arrow pointing to it from the handwritten text 'zum login wechseln'. Below the buttons are three input fields: 'Name' (with placeholder 'Enter your name'), 'Email' (with placeholder 'Enter your email'), and 'Password' (with placeholder 'Enter your password'). Below these fields is a dark blue button labeled 'Create Account', which is pointed to by a blue arrow from the handwritten text 'Konto erstellen'. Below the 'Create Account' button is a dashed line with the word 'OR' in the center. At the bottom is a button labeled 'Continue with Google' with a checkmark icon, pointed to by a blue arrow from the handwritten text 'schneller Zugang ohne manuelle Eingabe'.

A mobile app login screen with a white background and rounded corners. At the top center is a square logo placeholder with a black 'X' and the word 'LOGO' below it. Below the logo are two buttons: a dark blue 'Log In' button and a light gray 'Sign Up' button. Under these are two text input fields: 'Email' with the placeholder 'Enter your email' and 'Password' with the placeholder 'Enter your password'. Below the password field is a dark blue 'Log In' button. A dashed line with 'OR' in the center separates this from a light gray button at the bottom that says 'Continue with Google' with a small square icon to its left.

bessere Matches erhalten

The image shows a mobile app interface for finding matches based on skills. At the top is a search bar labeled "Search skills or users". Below it is a message: "You haven't added your skills yet. Add what you want to learn or teach to get better matches." with a "Complete Profile" button. The main section is titled "Suggested Matches" and lists three users: Erkin Caliskan (Teaches: Guitar, Wants to learn: Spanish), Cihan Can (Teaches: Python, Wants to learn: Photography), and Mumtaz Erdogan (Teaches: Math Tutoring, Wants to learn: Design). Each user entry has a "Connect" button. At the bottom is a "Categories" section with five icons representing different skill categories.

Search skills or users

You haven't added your skills yet. Add what you want to learn or teach to get better matches.

A mobile app profile screen for a user named Erkin Caliskan. The screen is divided into several sections by dashed lines. At the top is a circular profile picture placeholder with a black 'X' inside. Below the name is the location 'Würzburg, Germany'. A bio box contains the text: 'Computer science student passionate about learning new skills and helping others grow.' Below the bio is an 'Edit Profile' button. The next section is 'Skills I can teach' with an 'Edit' button; it contains four skill boxes: 'Python', 'Web Development', 'Math', and 'Djing'. The following section is 'Skills I want to learn' with an 'Edit' button; it contains three skill boxes: 'Spanish', 'Photography', and 'Design'. The final section is 'Preferences' with an 'Edit' button; it has a 'Meeting Type' label and two buttons: 'Online' (which is highlighted in dark blue) and 'Offline'.
